

श्री गुरु दीपाय नमः

Strilky, December 2020

Blessed Selves, Dear Brothers and Sisters,

On 5th December (Western calendar) and on January 3rd (Vedic Lunar Calendar) we commemorate the Anniversary of the Mahasamadhi of our beloved and revered Bhagwan Sri Deep Narayan Mahaprabhuji.

Mahaprabhuji was the incarnation of love, kindness, compassion, a light of wisdom and peace and the protector of the Sanatan Dharma for the well-being of all living beings. The Divine Light of Sri Mahaprabhuji is alive in all of us.

In Mahaprabhuji's words and teachings there was perfect non-dualism and unity, especially among his Bhaktas. Read the Bhajan in which Mahaprabhuji says, "How I long for the Bhaktas to come to Satsang. When I think of them, my eyes are filled with tears."

Even though due to Corona lockdowns in many countries it may not be possible to come together for Satsang in your Ashrams and YIDL centers, be present there in your mind and heart. Light a candle on your altar at home, think of Sri Mahaprabhuji and make a Mala for the welfare and health of all our Guru sisters and Guru brothers and the whole world.

I pray and send to all of you the Blessings in the name of Sri Mahaprabhuji and the Sri Alakhpuriji Siddha Peeth Parampara.

Let us all carry Mahaprabhuji's Divine Light and Blessings in our hearts. May He lead us to Unity, Love, Peace and Enlightenment.

With Blessings in the name of Sri Mahaprabhuji,

Vishwaguruji
